## L&T Secures (Major \*) Contract for Heavy Civil Infrastructure Business

**Mumbai, January 28, 2026:** The Heavy Civil Infrastructure business vertical of L&T has won a contract from the Royal Commission of Riyadh City in Saudi Arabia for works pertaining to the extension of the Riyadh Metro. The order is a part of an ultra-mega project won by a consortium of Webuild S.p.A, L&T, Nesma & Partners Contracting, Alstom and IDOM.

The order pertains to the extension of the Red Line of Riyadh Metro Network. The scope of work includes design and turnkey construction of 8.4 km long metro line, comprising both elevated and underground sections and five stations.

L&T has a proven capability in constructing fast and reliable mass-transit systems across the globe, and this latest order stands as a testament to the trust customers place in the company.

### Background:

Larsen & Toubro is a USD 30 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing, and Services, operating across multiple geographies. A strong, customer-focussed approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over eight decades.
