L&T bags (Significant*) order from Noida Metro for Aqua Line Extension

Mumbai, November 09, 2026: The Heavy Civil Infrastructure business vertical of L&T has secured an order from Noida Metro Rail Corporation Ltd for part design and construction of the Noida Metro Aqua Line Extension Project.

The project scope encompasses part design and construction of a 15.1 km elevated viaduct from Botanical Garden to Noida Sector-142, and from Depot Station to Boraki. The scope includes the construction of 10 elevated metro stations, including architectural finishes.

Noida Metro Aqua Line Extension is poised to become a landmark urban transit project, significantly enhancing regional connectivity and commuter accessibility. The project will play a crucial role in supporting Noida's expanding urban landscape and is to be completed within a stringent timeline of 36 months.
