

'Public Policy Advocacy' Policy

L&T is committed to engage in the public policy advocacy process in a responsible and ethical way; abiding by the law of the land; and serving the best interests of our shareholders, employees, customers and the communities in which we operate.

Guiding Principles

Towards this, we will:

- Engage with the Government, policymakers, regulators, Chambers of Commerce, Trade Associations, legal fraternity, media and other stakeholders and counterparties in a constructive manner to promote good corporate governance.
- Participate in public policy development and discussions that address issues affecting industry, business, products, customers, and other major stakeholders.
- Ensure that our policy advocacy positions promote fair competition and respect for human rights.
- Encourage our employees to associate with activities of professional bodies for the purpose of shaping the public policy in the desired direction.

We will abide by the principles of the above Policy in letter and in spirit.
