L&T Wins Orders (Significant*) for Buildings & Factories Business

Mumbai, April 23, 2026: The Buildings & Factories (B&F) business vertical of L&T has won multiple orders in India.

It has secured an order from Oberoi Realty for the construction of seven high-rise residential towers in Gurugram, NCR. The scope includes RCC shell and core construction, as well as earthworks and piling, all to be executed within stringent timelines.

The business vertical has also secured an order for construction of Proving Ground from a reputed international company in Haryana. The facility will boost testing infrastructure for vehicles embedded with latest technology. Besides the Proving Ground, the scope includes finishing works and external development relevant to the facility.

L&T's B&F business vertical possesses strong domain knowledge, proven expertise and extensive experience in delivering EPC solutions across segments such as, hospitals, public spaces, airports, data centre, residential buildings, commercial spaces and factories, including automobiles, proving tracks, new energy facilities like solar panel and battery storage plants, paint and chemical plants, glass plants, food processing units and other complex industrial structures.

Background

Larsen & Toubro is a USD 30 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing, and Services, operating across multiple geographies. A strong, customer-focussed approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
