L&T-CASE's new Assembly Plant in Pithampur Inaugurated

The new Assembly Plant of L&T-CASE in Pithampur, built as a part of the expansion plan, was inaugurated by Mr. J. P. Nayak, President (Machinery & Industrial Products) & Member of the Board, on April 14, 2009.

An investment of over Rs. 400 million has been made at Pithampur to increase the manufacturing capacity to over 10,000 units per annum.

The assembly plant uses a high degree of automation. It is an integrated shop with point-of-use stores, assembly, testing and finishing.

The plant is environment friendly. Water harvesting and green belts have been provided all around the plant.

Mr. J. P. Nayak and other dignitaries at the assembly plant inauguration. Below: A view of the plant.

L&T-CASE is a 50:50 joint venture between L&T and CNH, Global NV engaged in the manufacture and sale of construction equipment and road building equipment like loader backhoes and vibratory compactors.
