**MANAGEMENT DISCUSSION & ANALYSIS**

FY26 began on a positive note with the Company receiving order for Two (2) sets of Ultra-supercritical Steam Generators and its associated auxiliaries for NTPC Gadarwara Super Thermal Power Project, Stage-II (2x800 MW). This was followed by order from L&T for Adani Projects (8x800 MW), which is the largest order received by the Company.

During the year, our projects under execution have completed important milestones by ensuring safety and quality compliance. Commercial Operation Declaration (COD) of Unit#2 at Khurja Super Thermal Power Plant was achieved on 22<sup>nd</sup> September 2025. COD of Unit-2 at Ghatampur Thermal Power Plant was achieved on 9<sup>th</sup> December 2025. Boiler Light Up of Unit 3 of Ghatampur Thermal Power Plant was achieved on 25<sup>th</sup> December 2025.

**Business Development & Outlook**

The momentum received in FY25 for coal based thermal power projects continued in FY26 with increased tenders from Central Utilities and IPPs. This trend is likely to continue in FY27 as well. LMB will continue to explore opportunities in domestic spares market. The Company will also achieve closure of older projects which are in advance stages of execution. Execution of new projects will gain momentum in FY27 improving the topline.

**Annexure 'B' to the Board Report****[A] Conservation of Energy:*****(a) Energy Conservation measures taken:******1) Improving energy effectiveness/efficiency of equipment and systems-***

- Upgraded the conventional blower motor in the Admin HVAC system to a high-efficiency electronically commutated (EC) motor, resulting in improved energy efficiency and reduced power consumption
- Installed Blue e+ energy-efficient panel air conditioners across all machine control panels, ensuring optimized cooling performance while conserving energy and reducing overall operational power consumption
- Installed a solar water heating system in the canteen, delivering energy conservation through renewable energy use and reduced dependence on conventional heating.
- Installed a 200-kW rooftop solar power system, enabling the use of renewable energy, reducing grid electricity consumption, and supporting long-term energy conservation initiatives.
- Installed energy-efficient air conditioners and BLDC fans in office spaces to enhance overall energy conservation.

***2) Improving energy effectiveness / efficiency of Manufacturing Processes***

- Energy-saving modifications were implemented on the HBM-2 hydrostatic motor pump and VTL lubrication pump systems, improving efficiency and lowering energy usage.
- Implemented a real-time dashboard for monitoring Argon (Ar) and CO<sub>2</sub> consumption, enabling better visibility, control, and measurable gas savings.

***(b) Additional investments and proposals, if any, being implemented for the reduction of consumption of energy:***

Not Applicable

**(c) Impact of measures at (a) and (b) above for reduction of energy consumption and the consequent impact on the cost of production of goods:**

- All the above energy-saving measures have resulted in annual savings of ₹ 50.88 Lacs.
- This has also reduced LMB Hazira's carbon footprint by about 300 MT of carbon dioxide equivalent.

**[B] Technology Absorption**

- Developed and deployed 15 RPA bots across EHS, Planning, Maintenance, Logistics, Quality, Finance, and Digital functions. These automations have eliminated high-volume manual SAP and other system activities, improving accuracy, speed, and governance. These bots are enabling faster decision-making, better compliance, and scalable operations across the organization.
- Successfully implemented a strategic .NET-based Integrated Manufacturing System (IMS) enabling real-time inspection stage monitoring across quality and production. IMS integrates seamlessly with SAP and standardizes inspection workflows across MHS, QAP, NDE, Joint & DU level inspection stages, ensuring end-to-end digital traceability. The solution has driven paperless operations, faster inspections, and improved compliance, while enhancing transparency and customer confidence.

**[Other Initiatives]**

- LMB remains firmly committed to the conservation of the natural resource water, guided by the 3R principle – Reduce, Reuse, and Recycle. During the year, the Company achieved **85% water neutrality** through the following key initiatives:
  - a) A comprehensive **rainwater harvesting system** was implemented on the **A-Shop roof** with robust storage and channelization mechanisms to ensure optimal water utilization. During **FY 2025–26**, a total of **4,788 KL of rainwater** was harvested from the **Administrative Building, Canteen, and A-Shop roofs**, significantly supporting water conservation efforts.
  - b) The Company ensured 100% utilization of STP-treated water for gardening and toilet flushing purposes, thereby significantly reducing the dependence on fresh water.
- LMB enhanced ecological resilience by establishing a **Miyawaki forest with 2,699 native saplings**, promoting dense native vegetation, improved biodiversity, and sustainable environmental development.
- LMB adopted circular resource utilization practices by **reusing wooden crates and boxes** received with incoming materials for the dispatch of finished goods, thereby reducing the consumption of virgin wood. During **FY 2025–26**, a total of **1,554 cubic feet (CFT) of wood was reused**, equivalent

to saving approximately **12.43 trees**, demonstrating the Company's strong commitment to **resource conservation and sustainable packaging practices**.

- During **FY 2025-26**, LMB achieved a production of **11,291 MT** with **Zero lost time and Zero reportable incidents**, reflecting a strong safety culture and effective operational controls.
- LMB was awarded the **Gold Award** at the **8th CII IQ National Safety Practice Competition**, recognizing excellence in safety systems and practices

**SECRETARIAL AUDIT REPORT**

**FOR THE FINANCIAL YEAR ENDED MARCH 31, 2026**

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies  
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To,  
The Members,  
**L&T-MHI POWER BOILERS PRIVATE LIMITED**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **L&T-MHI POWER BOILERS PRIVATE LIMITED (CIN: U29119MH2006PTC165102)** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct/statutory compliance and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms, and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents, and authorized representatives during the conduct of the secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2026, according to the provisions: as applicable:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996, and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999, and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment, and External Commercial Borrowings;
- (v) The following Regulations and Guidelines are prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'),
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992; **presently, the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;**
  - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **presently the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;**
  - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **presently the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2021;**

- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013, **presently together read as Securities and Exchange Board of India (Issue and Listing of Non – convertible Securities) Regulations, 2021;**
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with clients;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009, **presently the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;**
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **presently the Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018.**
- (vi) Other specific business/industry-related laws applicable to the Company–
  - **Gas Cylinders (Amendment) Rules, 2022**
  - **The Static and Mobile Pressure Vessels (Unfired) Rules, 2021**
  - **Indian Boilers Regulations, 1950, read with the latest amendments**

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards on Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
- ii. **The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time,** and the Listing Agreements entered into by the Company with Stock Exchange(s)

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

**I further report** that the Board of Directors of the Company is duly constituted with the proper balance of Executive Directors, Non-Executive Directors, and Women Directors. The changes in the composition of the Board of Directors or Committees thereof that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on the agenda were sent at least **fifteen** days in advance and at times shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

The minutes of the Board meetings and Committee Meetings have not identified any dissent by members of the Board /Committee of the Board, respectively, hence we have no reason to believe that the decisions by the Board were not approved by all the directors/members present.

**I further report that based on a review of the compliance mechanism established by the Company and the Compliance Certificates taken on record by the Board of Directors at their meetings** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**I further report that** during the audit period, the following events/actions have taken place, which have a major bearing on the Company's affairs in pursuance of the above-referred laws, rules, regulations, guidelines, standards, etc., like -

- (i) Public/Right/Preferential issue of shares/ debentures/ sweat equity, etc--NA

## INDEPENDENT AUDITOR'S REPORT

To the Members of L&T-MHI Power Boilers Private Limited

### Report on the audit of the financial statements

#### Opinion

We have audited the accompanying financial statements of L&T-MHI Power Boilers Private Limited ('the Company'), which comprise the balance sheet as at March 31, 2026, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information ('the financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

#### Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ('the Act'). Our responsibilities under those Standards are further described in the *auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current financial year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Key audit matter                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

| <p><b><u>Revenue recognition</u></b></p> <p>The Company is engaged in the business of design, engineering, manufacturing, selling, maintenance and servicing of supercritical Boilers, Pulverisers and related products.</p> <p>Revenue from long-term construction contracts is recognised in accordance with Ind AS 115, Revenue from Contracts with Customers, generally based on the extent of progress towards performance obligation.</p> <p>Recognition of the Company's revenue is complex as its core business activity of long-term manufacturing requires management to make assessments that significantly determine the quantum of revenue and margins recognised during a financial year.</p> <p>These assessments include assessing completion of contractually determined obligations, estimating total costs to complete the contract and identification of any possible delays and consequential penalties that may affect the revenue recognised. Revenues, total contract costs and profits could deviate from earlier estimates over the contract tenure depending on several factors.</p> <p>For the year ended March 31, 2026 revenue from operations was Rs. 1358.40 crore - refer note 20 to the financial statements.</p> | <p>Our audit approach was a combination of test of internal controls and substantive procedures which included the following:</p> <p>We tested the relevant internal controls to ensure completeness, accuracy and timing of revenue recognised, including contract assets or contract liabilities.</p> <p>We have assessed whether the revenue recognition methodology was relevant and consistent with Indian accounting standards, and had been applied consistently.</p> <p>We selected a sample of contracts with customers and performed the following procedures:</p> <p>a) Obtained and read contract documents for each selection, change orders, and other documents that were part of the agreement.</p> <p>b) Identified significant terms and deliverables in the contract to assess management's conclusions regarding the (i) identification of distinct performance obligations; (ii) changes to costs to complete as work progresses and as a consequence of change orders; (iii) the impact of change orders on the transaction price; and (iv) the evaluation of the adjustment to the transaction price on account of variable consideration.</p> <p>c) Compared costs incurred to date with the Company's estimates of costs to complete to identify significant variations and evaluated whether those variations have been considered appropriately in estimating the remaining costs to complete the contract and also obtained confirmation from the project team for cost to complete.</p> <p>d) We performed inquiries of management teams to understand reasons for cost variations and to understand management's assessment of potential contract risks.</p> <p>Based on the procedures performed we consider the revenue recognised to be fairly stated.</p> |

### **Information other than the financial statements and auditor's report thereon**

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the board's report including annexures thereto and management discussion and analysis but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's responsibility for the financial statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in the aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Report on other legal and regulatory requirements**

- 1 As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the central government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by section 143(3) of the Act, based on our audit we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The balance sheet, the statement of profit and loss (including other comprehensive income), statement of changes in equity and the statement of cash flow dealt with by this report are in agreement with the relevant books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
  - (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of section 164 (2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
  - (g) With respect to the matters to be included in the auditor's report in accordance with the requirements of section 197(16) of the Act (as amended), in our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any remuneration to its directors during the year; and
  - (h) With respect to the other matters to be included in the auditor's report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
    - i The Company has disclosed the impact of pending litigations on its financial position in its financial statements – refer note 43 to the financial statements;
    - ii The Company has disclosed foreseeable losses in respect to long-term contracts including derivative contracts for which there were any material foreseeable losses - refer note 36 to the financial statements; and
    - iii There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company– refer note 31 to the financial statements.
    - iv (a) Management has represented to us that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries— refer note 51 to the financial statements;

(b) Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries— refer note 51 to the financial statements;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (i) and (ii) of rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v The Company has not declared or paid dividend during the year.— refer note 45(b) to the financial statements.
- vi Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the accounting period for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of an audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

**ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 1 of 'Report on other legal and regulatory requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets;  
(B) The Company has maintained proper records showing full particulars of intangible assets;  
(b) The Company has a program of physical verification of its property, plant and equipment to cover all the items of property, plant and equipment in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and nature of its property, plant and equipment. According to the information and explanations given to us, the Company has physically verified certain property, plant and equipment during the year and no material discrepancies were noticed on such verification;  
(c) According to the information and explanations given to us with respect to the leasehold land on which manufacturing facilities are constructed by the Company, based on examination of the registered lease deeds provided to us, we report that the lease agreements are in the name of the Company as at the balance sheet date where the Company is the lessee in the agreement.  
(d) The Company has not revalued its property, plant and equipment (including right-of-use assets) or intangible assets or both during the year. Accordingly, paragraph 3(i)(d) of the Order is not applicable to the Company; and  
(e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) According to the information and explanations given to us, inventories have been physically verified by the management at regular intervals during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on such verification, which were not material, have been properly dealt with in the books of account; and  
(b) According to the information and explanations given to us, Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks during the year on the basis of security of current assets and quarterly returns or statements filed by the Company with such bank are in agreement with the books of account of the Company.
- (iii) According to the information and explanations given to us, the Company has not made any investment, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties. Accordingly, paragraphs 3(iii)(a), (b), (c), (d), (e) and (f) of the Order are not applicable to the Company.
- (iv) According to the information and explanations given to us, there are no loans, investments, guarantees, and securities granted in respect of which provisions of sections 185 and 186 of the Act are applicable. Accordingly, paragraph 3(iv) of the Order is not applicable to the Company.
- (v) In our opinion, and according to information and explanations given to us, the Company has not accepted deposits as per the directives issued by the Reserve Bank of India under the provisions of

sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.

- (vi) We have broadly reviewed the books of account and records maintained by the Company specified by the central government for the maintenance of cost records under section 148(1) of the Act with respect to its manufacturing activities and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, the contents of these accounts and records have not been examined by us.

**ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 2(f) of our report of even date)

**Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of L&T-MHI Power Boilers Private Limited ('the Company') as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's responsibility for internal financial controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note, and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of internal financial controls over financial reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent limitations of internal financial controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the ICAI.

Notes forming part of the financial statements for the year ended March 31, 2026

## NOTE NO. 26 - Material accounting policies:-

### I. Corporate Information

L&T- MHI Power Boilers Private Limited (the 'Company') is a private limited company incorporated and domiciled in India. The Company is a joint venture company between Larsen & Toubro Limited (L&T), India and Mitsubishi Heavy Industries, Ltd. Japan having its registered office at L&T House, Ballard Estate, Mumbai. The Company is engaged in the business of design, engineering, manufacturing, erection & commissioning, selling, maintenance and servicing of supercritical boilers, pulverizers and related products.

### II. Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs under section 133 of Companies Act, 2013 & amendments thereon. In addition, the guidance notes / announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied, wherever applicable, except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

The Company's financial statements are presented in Indian Rupees in crores (₹ 1 crore = ₹ 10 million) rounded off to two decimal places. Per share data are presented in Indian Rupees to two decimals places.

### III. Basis of accounting

The Company maintains its accounts on an accrual basis following the historical cost convention, except carrying value of property, plant and equipment considered at deemed cost on the date of transition to Ind AS and certain financial instruments that are measured at fair values in accordance with Ind AS.

Fair value measurements are categorized into Level 1, 2 and 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date;
- Level 2 inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Above levels of fair value hierarchy are applied consistently and generally, there are no transfers between the levels of the fair value hierarchy unless the circumstances change warranting such transfer.

### IV. Operating cycle for current and non-current classification

Operating cycle for the business activities of the Company covers the duration of the specific project / contract / service including the defect liability period, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period.

### V. Revenue recognition

The Company recognises revenue from contracts with customers when it satisfies a performance obligation by transferring a promised good or service to a customer. The revenue is recognised to the extent of transaction price allocated to the performance obligation satisfied. Performance obligation is satisfied over time when the transfer of control of good or service to a customer is done over time, in other cases performance obligation is satisfied at a point in time. For each performance obligation satisfied over time, the revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. This method appropriately depicts the progress achieved by the Company in satisfying the performance obligation.

Transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring good or service to a customer excluding amounts collected on behalf of a third party. The Company includes variable consideration as part of transaction price when there is a basis to reasonably estimate the amount of the variable consideration and when it is probable that a significant reversal of cumulative revenue recognised will not occur when the uncertainty associated with the variable consideration is resolved. Payment terms agreed with a customer are as per business practice and there is no financing component involved in the transaction price.

Costs to obtain a contract which are incurred, regardless of whether the contract is obtained, are charged off in statement of profit and loss immediately in the period in which such costs are incurred.

**Notes forming part of the financial statements for the year ended March 31, 2026**

Significant judgment is used in:

- a. Determining the performance obligation;
- b. Determining when the transfer of control of good or service to customer is done and when the performance obligation is satisfied; and
- c. Determining and allocating the transaction price to performance obligation.

**i. Revenue from operations**

Revenue is exclusive of goods and service tax (GST) and includes adjustments made towards liquidated damages and other variation wherever applicable. Escalation and other claims, which are not ascertainable / acknowledged by customers are not taken into account.

**a. Revenue from sale of goods:**

Revenue from sale of manufactured and traded goods is recognised when the control of the same is transferred to the customer and it is probable that the Company will collect the consideration to which it is entitled in exchange of goods.

**b. Revenue from construction / project related activity and contracts for supply / commissioning of complex plant and equipment:**

1. Cost plus contracts: Revenue from cost plus contracts is recognized over time and is determined with reference to the extent performance obligations have been satisfied. The amount of transaction price allocated to the performance obligations satisfied represents the recoverable costs incurred during the period plus the margin as agreed with the customer.
2. Fixed price contracts: Contract revenue is recognised over time to the extent of performance obligation satisfied and control is transferred to the customer. Contract revenue is recognised at allocable transaction price which represents cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to-date, to the total estimated contract costs.

Expected loss, if any, on a contract is recognised as expense in the period in which it is foreseen, irrespective of the stage of completion of the contract.

For contracts where the aggregate of contract cost incurred to date plus recognised profits (or minus recognised losses as the case may be) exceeds the progress billing, the surplus is shown as contract asset and termed as "due from customers". For contracts where progress billing exceeds the aggregate of contract costs incurred to-date plus recognised profits (or minus recognised losses, as the case may be), the surplus is shown as contract liability and termed as "due to customers". Amounts received before the related work is performed are disclosed in the balance sheet as liability towards advance from customer. The amounts billed on customer for work performed and are unconditionally due for payment i.e. only passage of time is required before payment due, are disclosed in the balance sheet as trade receivables. The amount of retention money held by the customers is disclosed as part of other current assets and is reclassified as trade receivables when it becomes due for payment.

**c. Revenue from rendering of services**

Revenue from rendering services is recognised over time when performance obligation is satisfied and customer obtains the control of the transferred services. Following criteria is required to be met for transfer of control of services:

1. the customer simultaneously receives and consumes the benefits from the services transferred.
2. the Company has an enforceable right to payment for services transferred.

Unbilled revenue represents value of services performed in accordance with the contract terms but not billed.

Revenue from contracts for rendering of engineering design services and other services which are directly related to the construction of an asset is recognised on the same basis as stated in (b) supra.

- d. Government grants, which are revenue in nature and are towards compensation for the qualifying costs incurred by the Company, are recognised as other operational income in the statement of profit and loss in the period in which such costs are incurred.
- e. Other operational revenue represents income earned from the activities incidental to the business and is recognised when performance obligation is satisfied and right to receive the income is established as per the terms of the contract.

**VI. Property, plant and equipment (PPE)**

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax / duty credits availed, if any, less accumulated depreciation and cumulative impairment. PPE acquired on hire purchase basis are stated at their cash values. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy.

## Notes forming part of the financial statements for the year ended March 31, 2026

Subsequent costs are included in the assets' carrying amount or recognized as a separate asset, as appropriate, only when it is provable that economic future benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. For transition to Ind AS, the carrying value of PPE under previous GAAP as on April 1, 2015 is regarded as its cost. Own manufactured PPE is capitalized at cost including an appropriate share of overheads, administrative and other general overhead expenses that are specifically attributable to construction or acquisition of PPE or bringing the PPE to working condition are allocated and capitalized as a part of the cost of the PPE.

Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

PPE not ready for the intended use on the date of the balance sheet are disclosed as "capital work-in-progress". (Also refer to accounting policy on borrowing costs, impairment of assets and foreign currency transactions.)

Depreciation on PPE has been provided using straight line method so as to write off the cost of the assets less their residual values, if any, based on useful life / usage as prescribed in schedule II of the Companies Act, 2013 or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset.

Gains or losses arising from recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

In respect of the following asset categories, the depreciation is provided at useful life, based on the technical evaluation and business usage, which is different from the useful life prescribed under schedule II to the Companies Act, 2013:

| Category of assets                           | Useful life as per schedule II<br>(in years) | Useful life adopted<br>(in years) |

\* Any assets deployed for project site with acquisition value less than Rs 50,000 for above categories of assets, full cost is depreciated in the same financial year.

Any assets with acquisition value less than Rs 5,000 is depreciated in the same financial year.

## VII. Leases

The Company as a lessee, recognises the right-of-use asset and lease liability at the lease commencement date. Initially the right-of-use asset is measured at cost which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, or a change in the estimate of the amount expected to be payable under a residual value guarantee, or a change in the assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

**Notes forming part of the financial statements for the year ended March 31, 2026**

The right-of-use asset is measured by applying cost model i.e. right-of-use asset at cost less accumulated depreciation / impairment losses (refer accounting policy on impairment of assets). The right-of-use asset is depreciated using the straight-line method from the commencement date to the end of the lease term or useful life of the underlying asset whichever is lower. Carrying amount of lease liability is increased by interest on lease liability and reduced by lease payments made.

Lease payments associated with following leases are recognised as expense on straight-line basis:

- Low value leases; and
- Leases which are short-term.

**VIII. Intangible assets**

Intangible assets are stated at original cost net of tax / duty credits availed, if any, less accumulated amortization and cumulative impairment. Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalized as part of the cost of the intangible assets.

Intangible assets are amortized on straight-line basis over the estimated useful life which is the period of six years.

Amortization method and useful life is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset.

**IX. Employee benefits**

a) Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits like salaries, wages, short term compensated absences the expected cost of bonus, ex-gratia etc. are recognized in the period in which the employee renders the related service.

b) Post-employment benefits:

i. Defined contribution plans: The Company's, state governed pension fund scheme and employee state insurance scheme are defined contribution plans. The contribution paid/payable under the schemes is recognized during the period in which the employee renders the related service.

ii. Defined benefit plans: The employees' gratuity fund schemes and provident fund scheme managed by trust are the Company's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the projected unit credit method.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the related obligations at the balance sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding net interest) and any change in the effect of asset ceiling (if applicable) are recognized in other comprehensive income and is reflected immediately in retained earnings and is not eligible to be reclassified to statement of profit and loss.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on a net basis.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the statement of profit and loss as employee benefits expense. Interest cost implicit in defined benefit employee cost is recognised in the statement of profit and loss under finance cost. Gains or losses on the curtailment or settlement of any defined benefit plan are recognized when the curtailment or settlement occurs. Past service cost is recognized as expense at the earlier of the plan amendment or curtailment and when the Company recognizes related restructuring costs or termination benefits.

c) Long term employee benefits:

The obligation for long term employee benefits such as long term compensated absences, long service award etc. is measured and recognized in the similar manner as in the case of defined benefit plans as mentioned in (b) (ii) supra.

d) Termination benefits:

## Notes forming part of the financial statements for the year ended March 31, 2026

Termination benefits such as compensation under voluntary retirement cum pension scheme are recognized as expense and a liability is recognized at the earlier of when the Company can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

**X. Financial instruments****i) Initial recognition:**

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instruments. Financial assets and financial liabilities are initially measured at fair value except for trade receivables not containing a significant financing component that are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

**ii) Subsequent recognition:****a) Financial assets:**

All recognized financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

**Impairment of financial assets:** The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost viz. trade receivables and other contractual rights to receive cash and other financial asset. For the purpose of measuring expected credit loss allowance for trade receivables, the Company has used a provision matrix which takes into account expected credit loss.

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

**b) Financial liabilities:**

Financial liabilities which are classified at initial recognition as financial liabilities at fair value through profit and loss including loans and borrowings, payables, derivatives designated as hedging instruments in an effective hedge are subsequently measured at fair value. All other financial liabilities including loans and borrowings are subsequently measured at amortized costs using effective interest rate (EIR) method.

Financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

The Company designates certain hedging instruments, which include derivatives, interest rate swaps, embedded derivatives and non-derivatives in respect of foreign currency risk, as either fair value hedges or cash flow hedges. Hedges of foreign exchange risk on firm commitments are accounted for as cash flow hedges.

**Fair value hedges:** Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are also subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognized in statement of profit and loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortized to profit and loss from that date.

**Cash flow hedges:** The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognized in other comprehensive income and accumulated in equity under the heading hedge reserve. The gain or loss relating to the ineffective portion is recognized immediately in statement of profit and loss. Amounts previously recognized in other comprehensive income and accumulated in equity relating to (effective portion as described above) are reclassified to statement of profit and loss in the periods when the hedged item affects profit or loss, in the same head as the recognized hedged item. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognized in other comprehensive income and accumulated in equity at that time remains in equity and is recognized when the forecast transaction is ultimately recognized in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognized immediately in statement of profit and loss.

**XI. Inventories**

Inventories are valued, after providing for obsolescence, as under:

- a) Raw materials, components, construction materials, stores, spares and loose tools at lower of weighted average cost or net realizable value. However, these items are considered to be realizable at cost if the finished products in which they will be used, are expected to be sold at or above cost.
- b) Manufacturing work-in-progress at lower of weighted average cost including related overheads or net realizable value. In the case of qualifying assets, cost also includes applicable borrowing costs vide policy relating to borrowing costs.
- c) Finished goods and stock-in-trade (in respect of goods acquired for trading) at lower of weighted average cost or net realizable value.

Cost includes related overheads on such goods.

Assessment of net realizable value is done in each reporting period end and when the circumstances that previously caused inventories to be written down below cost no longer exist or when there is clear evidence of an increase in net realizable value because of changed economic circumstances, the amount of the write-down is reversed (i.e. the reversal is limited to the amount of the original write-down) so that the new carrying amount is the lower of the cost and the revised net realizable value.

**XII. Cash and cash equivalents**

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

**XIII. Foreign currency transactions**

- a) The functional currency and presentation currency of the Company is the Indian rupee.
- b) Foreign currency transactions are recorded on initial recognition using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing rate. Non-monetary items denominated in foreign currencies and carried at fair value are retranslated at the rates prevailing at the date when the fair value is determined. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated. Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each balance sheet date at the closing rate are recognized in statement of profit and loss in the period in which they arise except for:
  - i. Exchange differences on transactions entered into in order to hedge certain foreign currency risks.

**XIV. Segment reporting**

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organization and management structure. Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Company to make decisions for performance assessment and resource allocation.

Reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments. Segment accounting policies are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. The identification of operating segments and reporting of amounts is consistent with performance assessment and resource allocation by the management.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under unallocated revenue / expenses / assets / liabilities.

**XV. Taxes on income**

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income tax Act, 1961, and based on the expected outcome of assessments / appeals.

**Notes forming part of the financial statements for the year ended March 31, 2026**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the balance sheet date.

Deferred tax liabilities are generally recognized for all taxable temporary differences except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets relating to unabsorbed depreciation / business losses / losses under the head "capital gains" are recognized and carried forward to the extent there is convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Other deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Transaction or event which is recognized outside statement of profit and loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

**XVI. Commitments**

Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed for estimated amount of contracts remaining to be executed on capital account and not provided for.

Other commitments related to sales / procurements made in the normal course of business are not disclosed to avoid excessive details.

**XVII. Key sources of estimation uncertainty**

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment, intangible assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, provision for rectification costs, fair value measurement etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.

**39 Fair value measurements**

The following methods of assumptions were used to estimate the fair values:

1. Fair value of the cash, short term deposits, trade and other short receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amount largely due to short term maturities of these instruments.
2. Fixed and variable interest rates are revalued by the Company based on the parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluations allowance are taken to account for the expected loss on these receivables.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Unobservable inputs for the asset or liability.

**Fair value of financial assets and liabilities measured at amortised cost:**

The carrying amounts of trade receivables, trade payables and cash and cash equivalents and other financial assets and liabilities (measured at amortised cost) are considered to be the same as their fair value due to their short term nature.

**40 Financial risk management**

The Company is exposed to credit/counter-party risk, liquidity risk, and currency risk and interest rate risk.

The Company's risk management policy (including financial risk) is approved by the board of directors.

The Company's risk management committee is responsible for the implementation of the risk management policy.

**a) Credit / counter-party risk**

The principal credit risk that the Company is exposed to is non-collection of trade receivables and late collection of receivables leading to credit loss. The risk is mitigated by reviewing creditworthiness of the prospective major customers by the management team of the Company's risk management committee prior to entering into contract and post receipt of contract through continuous monitoring of collections by the project team and the accounts team.

The Company makes adequate provision for non-collection of trade receivables. Further, the Company has not suffered significant payment defaults by its customers.

In addition, for delay in collection of receivables, the Company has made provision for expected credit loss ('ECL') based on ageing analysis of its trade receivables. These range from 5% (Previous year 5%) for dues outstanding from six months to twelve months and 100% (Previous year 100%) for dues outstanding for more than 96 months. The provision for ECL is based on external and internal credit risk factors such as the Company's historical experience for customers, type of customer e.g. public sector, private sectors etc.

ECL reconciliation on trade receivable has been given at note 27(b).

The percentage of revenue from its top two customers is 71.63% for 2025-26 (Previous year 74.44%).

The counter-party risk that the Company is exposed to is principally for financial instruments taken to hedge its foreign currency risks (see below). The counter-parties are mainly banks and the Company has entered into contracts with the counterparties for all its hedge instruments and in addition, entered into suitable credit support agreements to cap counter-party risk where necessary.

The Company invests its surplus funds in bank deposits and liquid investments and mitigates the risk of counter-party failure by investing with institutions having good credit rating.

**b) Liquidity risk**

The Company's treasury department monitors the cash flows of the Company and surplus funds are invested in non-speculative financial instruments that are usually highly liquid funds (see counter-party risk above).

The Company has credit facilities (both fund based and non-fund based) with banks that will help it to generate funds and other financial facilities for the business.

**c) Market risk:**

Market risk is the risk of loss of future earnings, fair value and future cash flows that may result from change in price of financial instrument. The value of the financial instrument may change as a result of change in interest rate scenario and other market changes that affect the market risk sensitive instrument. Market risk is attributable to market risk sensitive instruments viz. investments in mutual funds. The Company has got a treasury team which manages cash resources, implementation of hedging strategies for foreign currency exposures, borrowing strategies and ensure compliance with market risk limits and policies. This team is guided by the treasury committee. Company manages the market risk through the treasury committee which evaluates and exercises independent control over the entire process of market risk management. The treasury committee recommends the policies & processes for investments. The committee is apprised the implementation of plan & policies on quarterly basis. Board of the Company is also apprised of the proceedings of the treasury committee on quarterly basis.

**(i) Foreign currency risk**

Foreign exchange risk is a significant financial risk for the Company. The Company uses derivative financial instruments to mitigate foreign exchange related exposures. Specialist teams that have the appropriate skills and experience take decisions for risk management purposes. The Company's operations also involves foreign currencies and maximum exposure is in US dollars and Japanese Yen.

The board of directors has approved the Company's financial risk management policy covering management of foreign currency exposures. The Company's treasury department monitors the foreign currency exposures and takes appropriate forward covers to mitigate its risk. The Company hedges its foreign currency cashflow exposure both on gross and net cash flow basis (i.e. net expected outcome of the project). These hedges are cash flow hedges. In addition, the Company has embedded derivatives mainly for projects in India that were won on an international competitive bidding basis. These are quoted in foreign currency to naturally hedge the exposure that the Company has as liabilities for the project. Since embedded derivatives unassigned portion are considered ineffective, they are charged to the statement of profit and loss along with the corresponding hedge instrument taken (if any) to mitigate the foreign exchange risk.

The Company does not enter into hedge transactions for either trading or speculative purposes.

Contracts with maturity not later than twelve months include certain contracts that can be rolled over to subsequent periods in line with underlying exposures.

**50 Exceptional Items**

Effective November 21, 2025, the Government of India consolidated 29 existing labour regulations into four Labour codes, namely, The Code on Wages, 2019, The Industrial Relations Code, 2020, The Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020, collectively referred to as the 'New Labour Codes'. The New Labour Codes has resulted in a one-time material increase in provision for employee benefits on account of recognition of past service costs.

Based on the requirements of New Labour Codes and relevant Accounting Standard, the Company has assessed and accounted the estimated incremental impact as Exceptional Item in the statement of profit and loss for the year ended March 31, 2026.

The incremental impact consists of a provision for gratuity of Rs 11.64 Crores. (previous year Nil). Upon notification of the related Rules to the New Labor Codes by the Government and any further clarification from the Government on other aspects of the New Labour Codes, the Company will evaluate and account for additional impact if any, in subsequent periods.
